Bay Window becomes Bay Cafe

The entire Bay Café Staff would like to thank you for joining us today. Although the name changed from Bay Window to Bay Café in 2003, you're dining in one of Caseville's longest established restaurants. This business has been family owned and operated since the 1950's.

The restaurant was built in 1958 as an addition to the Bay Theatre which began operations in 1949 by Wallace Hart. The Pfeifle family purchased and operated the restaurant and theatre from 1973 until 1992. Paul and Colleen Poisson owned the restaurant and theatre until 2003. That's when the current owners, Ron and Michelle Bergman, bought the restaurant. Paul and Colleen still operate the Bay Theatre today.

We strive to serve high quality food by using fresh foods whenever possible. Our menu contains diner type items like burgers and fries, but we also offer other unique items such as quesadillas and specialty salads. We hope you enjoy your dining experience here at Bay Café.

Thanks for coming,
Ron and Michelle
